

Welcome to the 5th International Conference on Substantial Scientific Collaboration of Ocean and Earth Sciences between Myanmar and China (SSCOE – 2022)

14 - 15, November, 2022,

Venue: Convocation Hall, Dagon University, Yangon, Myanmar

We cordially invite to submit your full paper, abstract, and poster for the 5th International Conference on Substantial Scientific Collaboration of Ocean and Earth Sciences between Myanmar and China to be held in Dagon University, Myanmar on 14 – 15, November, 2022. This is an exceptional platform for researchers, academics, students, innovators, scientists and industry practitioners to discuss current research which is shaping a new world society.

Selected Papers will be published as Proceeding on the 5th International Conference on Substantial Scientific Collaboration of Ocean and Earth Sciences between Myanmar and China.

Deadline for *Abstract* Submission - 15th October 2022 Deadline for *Full Paper* Submission - 30th October 2022

Contact Persons: Dr. Aung Myo Zaw, aungmyozaw009@gmail.com, (+959) 250666654

Invitation to the 5th International Conference on Substantial Scientific Collaboration of Ocean and Earth Sciences between Myanmar and China (SSCOE-2022)

Keynote Speakers

Southern University of Science and Technology of. Dr. Sun Zhen

Dr. Sone Han
President of MGS

Prof. Dr. Sun Zhen South China Sea Institute of Oceanology, Chinese Academy of Sciences

Prof. Dr. Xiwu Luan Shandong University of Science and Technology

Prof. Dr. Aye Ko Aung Dagon University

Mrs. Hla Hla Aung Patron of Myanmar Earthquake Committee

Prof. Dr. Feng Zhou Second Institute of Oceanography

SSCOE 2022 will be held in Dagon University, Myanmar during 14-15 Nov 2022. The aim of SSCOE 2022 are to present the latest research and results of scientists related to topics in Ocean and Earth Science. This conference provides opportunities for the delegates to promote cooperations between universities and educational institutions, to conduct joint research in cultivating innovative talents in the ocean and earth sciences, as well as to find global partners for future collaborations. We hope that the outcomes of the conference will lead to significant contributions to the core technology and knowledge exchanges in frontier scientific fields.

Important Dates

Abstract/Full Paper Submission: 5th July 2022 - 15th Oct 2022

Early Bird Registration: Before 30th Sep 2022

Conference Dates: 14th -15th Nov 2022

Registration Deadline: 15th Oct 2022

Comerence Dates: 14" -15" Nov 2022

Full Paper Submission(Optional) Before: 30th Oct 2022

Registration Fees

| | Category | Conference Fee | |
|---------------|----------|---------------------------------|-----------------------------|
| | | Early Bird Before(30/9/2022) | Regular After(30/9/2022) |
| International | Regular | Registration fees are waived | - |
| | Student | Registration fees are waived | - |
| Local | Regular | 15,000 MMK | 20,000 MMK |
| | Student | 10,000 MMK | 10,000 MMK |

Mode of Presentation

- 1. Offline Presentation
- 2. Online Presentation/Video Presentation
- 3. Poster

Publication

Selected papers will be recommended for the publication in Proceedings on the 5th International Conference on Substantial Scientific Collaboration of Ocean and Earth Sciences between Myanmar and China.
